

FOOTHILL RANCH, CALIF.--- CMC QMS is ISO 9001:2008 certified.

Posted: 11/21/2011 @ 08:00 AM

Carr Manufacturing Company (CMC) announces that it has been Certified as ISO 9001:2008 Quality Management System Compliant.

CMC, a custom cable assembly and wire harness manufacturer, was certified by DNV Business Assurance of DNV Certification B.V., The Netherlands as ISO 9001:2008 QMS Compliant. CMC received its certification for ISO 9001:2008 compliance in November 2011 and has their certification available for viewing on their website at

[www.carmfg.com/iso.htm](http://www.carmfg.com/iso.htm)

The scope of ISO 9001 registration encompasses the manufacturing of custom electro-mechanical cables assemblies and wire harnesses.

About CMC.

CMC is a California based corporation specializing in the design and manufacturing of standard and custom assemblies to the electronic, industrial, medical, and military industries. Its unique approach to contract manufacturing allows OEM's to offload their electro-mechanical assembly and to focus on their core product. Headquartered in Foothill Ranch, Calif., CMC has over 20 years of combined experience in designing, manufacturing, and supplying various electro-mechanical assembly solutions to the OEM market. For more information, call 949-716-1840 or visit the CMC website at [www.carmfg.com](http://www.carmfg.com).
